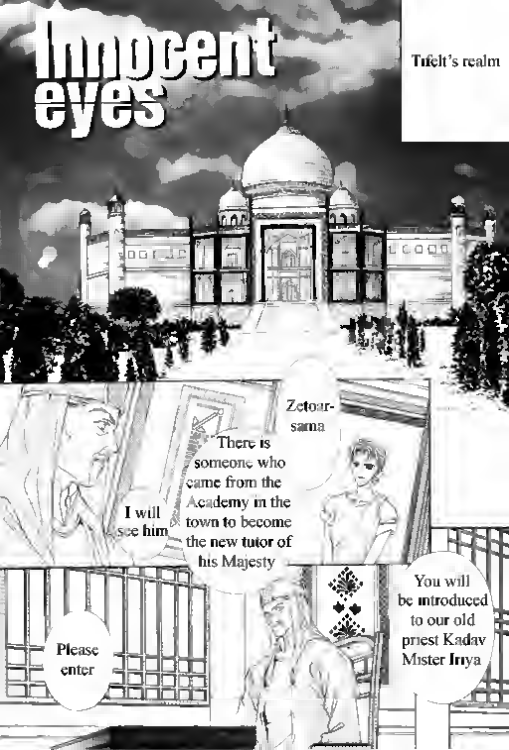
Tifelt's realm



Zetour-sama
There is someone who came from the Academy in the town to become the new tutor of his Majesty
I will see him
You will be introduced to our old priest Kadav Mister Irya
Please enter

My name is Iriya
what's the problem ?
It is our first meeting
No ... Nothing
His Majesty is outside, I will show you the way
Please follow me
Today I obliged him to stay in his room
His Majesty
Altefield-sama !
... Hum

It's not a problem if I meet him later
But...
His Majesty is only 6
I don't want to begin to disturb him today...
So why don't we visit the palace before ?
Hey ?
The tutor of his Majesty Did you see him ?
Yeah, the color of his hair
They are of a very dark red
It is a very deep red
Just like blood

Ah !
His Majesty !
What are you doing outside !
Ah
They look at me with scornful looks
If they don't look at me
People always look at me
Just like if I was a demon
He was the only child here, in the middle of so many adults
It was smelling so good in the garden
So I went outside to see all the flowers
I understand
Please follow me

His Majesty !
He is a little dull
Will he cry ?

Such a beautiful hair !
I have never seen before a red so deep
It suits you
The way he has got...
To directly look at me
With a look full of purity

I often walk so I always have some herbs on me
Your leg
Here are some herbs for your wound
Spoiled things
Pure things
All the perverted things in this world
Do you come from far away ?
Yes
I forgot to tell you, but since today I'm your new tutor
Iriya ?
Please call me Iriya

He is the one who will become the new king of Trifelt
His Majesty Altefield Soeltefert
Such beautiful eyes
Iriya ?
Can you tell me some stories of your trip ?
Maybe with me
Okay
Will see for the first time the spoiled things
This kid in this world

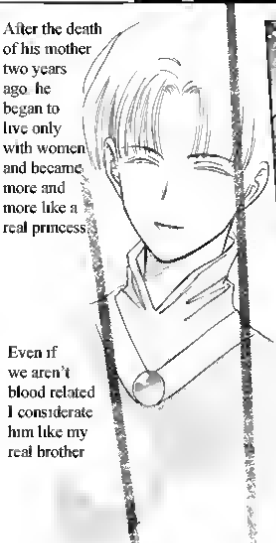
The moonlight
& The way of stars
月の光 星の道

When he arrived in the palace
I was only six years old
He didn't have the face of someone from this country
His red hair was like it was burning
From now on I will work by your side as your tutor
Please

Iriya !
Please call me Iriya
Look at this !
I'm doing really well, don't you think so ?
Fernando !
Big brother !
That's true !
But you forgot the one that is behind

Stop it ! I'm okay, don't worry for me
You can't go out to walk a lot
Because of your weak body



After the death of his mother two years ago he began to live only with women and became more and more like a real princess
Even if we aren't blood related I considerate him like my real brother

Did I introduce you to Iriya ?
This is the little brother I am very proud of
Pleased to meet you

I know that my mother has always ignored me and has never taken care of me
It is easy to understand
Since I have to become the king she has really no interest in me...
I want to go outside
Altefield -sama
I dream of the world outside
Since I was born, I went outside once...

I was lost in the middle of the desert
I really love when from times to times Irya tells me stories about the world outside ...
I was in a sandstorm I couldn't see my feet I didn't have a lot of water
Why ?
to look at the sky ...
We will wait for the night

Stars
Inya
You have travelled a lot
Show us the way
Yes, for a long time
Where were you born ?
In a very small and cursed island
I was the son of a heretic

I didn't want to live there...
I wanted to see what was really the world outside
It seems that he and I...
have had the same existences
Time is always quickly going on
What's this?
I'm already 16

Iriya has been there for 10 years and he hasn't changed at all
What ?
I will dance for the King's birthday
And i'll use these clothes
Iriya, how old are you in fact ?
Hum
I should be nearly 300 years old
Altefield -sama
Have you ever heard of the flesh of fishmen ?
You don't seem to be able to believe me

Fishmen ?
Yes, when you eat their flesh
You can't die, and you even stop growing old...
Never dying and never growing old
Like in a dream
If it was true, my mother

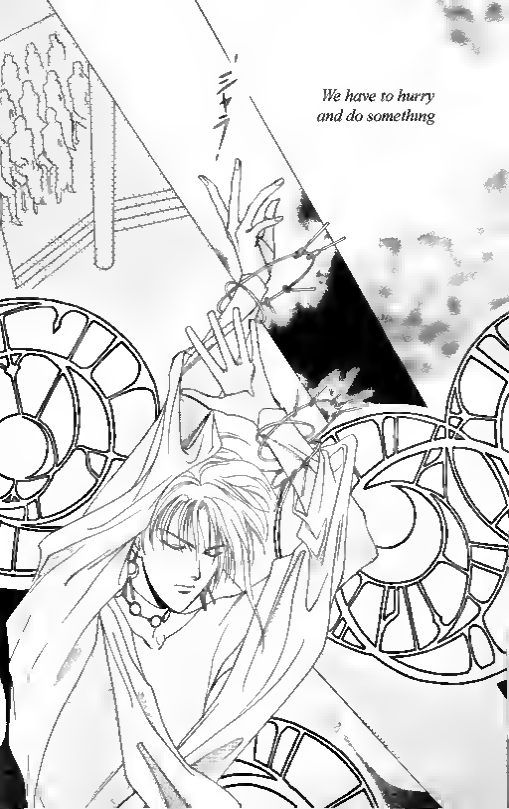
would do anything to have some
AH
Altefield -sama!

Uh!

Go and call a doctor !
We need help !
No one is there ?
My body is used to poisons
I'm okay Irrya
It's not the first time
I know who is doing this but
I don't want to see Fernando being hurt –
Who has –
It's okay

It's no use
Saying such things
I will give my life
Altefield -sama
In order to protect you

If you don't mind
I will try to sleep a little
Okay
The arrow has missed its target.
Oh
Such a waste
It was really hard for me to find this poison
Oh
He is now 16
For him and for Fernando



We have to hurry
and do something

Hey !
Who has switched off the lights ?
Altefield -sama !

Move !
Inya !?

Who is
Uuh
Iriya !
Iriya !
It's a musician
Don't let him go !

I won't
forgive you if you die now !
Altefield -sama
In order to protect you
I will give my life
Iriya !

This time...
I thought it was over ...
This is the dagger of Altefield -sama
This man with the red hair was troublesome...
He should'nt have been there

It's something like a proof... do you want my motives too ?
Oh oh... it seems so
Fernando ?
Run away from here !
Big brother !
Brother !

You hurry up and run away !
Mother is now frightening
Sorry but I don t have the courage to run away
to run away isn t it ?
Fernando -sama
You have caught the culprit who was trying
What are you trying to say ?

Dokı
Dokı

Oh really ... It's horrible
Does this dagger belong to you ?
What do you mean ?
You know this well...
Yesterday night when lights were switched off you tried to kill the King ...
Yes...

Hopefully, the King is safe and your projects have failed ...
It's wrong and you know it
What...
Now that this Iriya is dead, there is no more problem
Trying to kill the King is a crime...
You can already forget your are his elder son...
Send him to jail !

I don't want
to become King anymore
Stop it now !
He is running away !
What are you doing ?
Capture him !
only...

Altefield
-sama !
Irrya !?

Altefield
-sama !
I
Only want
to get out of
this palace

That's all

Altefield
sama

Iriya, I really thought you died

I already died once

Yes.

Is it okay?

Look at this
Ah
The wound
is no more
I can t die
In the past
Some flesh of fishmen
I ate it.

We just have to ask to the moonlight and to the stars..
to show us the way..
No..
Are you scared of me ?
Inya.
Where are we going now ?
You still don't know ?
I know

I hope you'll enjoy this release !!!

While I was sleeping I made a beautiful dream
Totally completely it can't satisfy me my heart is starving my body wants that someone holds it
And you are holding my hand so tightly it can't be a dream
I feel I m in the middle of the amniotic fluid
I've seen this dream so often

獣が夢を見る夜に

KEMONOGA YUMEO MIRUYORUNI 『第一回』

The beast who sees a dream at night Chapter 1

Even if I didn't know what being King was
Even if my hands were like the ones of millions of people
These hands were there only to hold a unique person

What..
What do you want ?
Why are you so scared lady ?
Give us some money and we ll do nothing
Shut up ! Who are you ?
Moreover
I m a man !

You can he
Oh Oh Really ?
So, we will just check
I thought i heard a lot of strange noises coming from here
I see

Hey You !
Want a little !
You seem to have some good bodies
Especially you man
If you don t want me to hurt you
Give me your clothes and your jewels
So it seems
You're the leader

UWA
!
UWAA
Aah
What is the next one ?

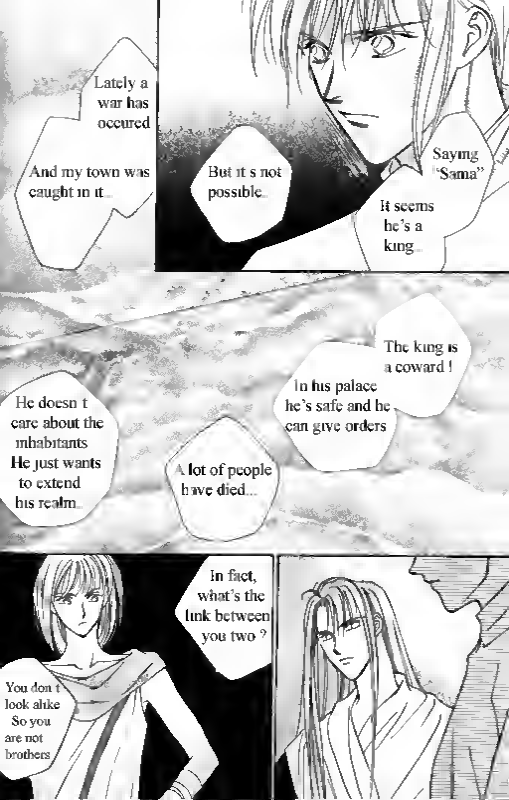
Run
Run away !
Are you okay ?
Why is a woman going alone in such a place ?
Eh ? She's really a woman ?

I see
Pretending to be a man is less dangerous when travelling here
You can meet some of those guys anytime
How did you know she was a woman Iriya ?
Because she's got the smell of a woman
You're just like animals
Whatever
Thank you for saving me
My name s Saphir

I thought i would be able to go back home quicker
My grandmother is a healer. I delivered medecine in a village
But i had to do some camping
Tomorrow show us your town
Because we need to do some supplies
Ok !

Bah...
So, we'll begin to eat now!
You should eat too...
It's not so bad...
Just like some medecine
You want me to eat this !?
Oh
Iriya.
It's
It's a joke isn't it !?

There's nothing else to eat
Please eat !
No I really don't want
Altefeld -sama
It's cracking under teeth !
It's so good !
Please eat !
Please eat this without saying a word
Ahaha !
You really look like brothers !



Lately a war has occured
And my town was caught in it...
But it's not possible...
Saying "Sama"
It seems he's a king...
The king is a coward !
In his palace he's safe and he can give orders
He doesn't care about the inhabitants He just wants to extend his realm...
A lot of people have died...
In fact, what's the link between you two ?
You don't look alike So you are not brothers

Why must I ?
Just like if I was your mother
It's for you, even if you don't like this
Open your mouth
It's true...
Aah Really ?
it's not a problem of taste
Iriya, I'm not a child of 6 years old anymore

Iriya
Iriya, for me
what would you be able to do
Altefeld-sama
Please sleep a little because dawn will soon be there
Okay
Hey Iriya
Running away from being king is a little shameful

Altefeld-sama
It's here
It's not really clean, but please enter
I'm back
Are you inside granny ?

Those men saved me
Some thieves attacked me, but they helped me
I see
Thank you for saving her, really
There aren't lots of things here, but please feel at ease
Are you in a hurry ?
No
So stay a little to see the festival of our town
A town Festival ?

I don t.
Do you disguise ?
It must be really noisy
Yeah
Everyone wears beautiful clothes, sing songs and dance
I want some beans, and smoked meat
And this thing over there too
Saphir
Did you finish ?

To thank you for letting us stay
Isn't it good ?
I
Iriya
This...
This is not...
For me – such a thing
It doesn't suit me
Even if you don t think so, you're really beautiful
It suits you
Moreover

*"Ore" = "I", but it's usually used by men and not women

If you don't want it I'll take it
It's no use complaining
You should instead thank the two people who are letting us sleep here
So ...
Eh ?
I thanked them so I'll use it
Good night
... it's
even worse

Please come
Can't you consider it again ?
Ah
Ok
We'll sleep together
It will be better and hotter
Because I've never slept with anyone before it's ... strange
Just after my birth, I was separate from my mother...
And given custody to a child-minder

I've no memories of my mother holding me...
Just like i never had a mother...
When i was a baby...
I slept alone in a wide bed
But i didn't thought about it as loneliness
Even if it's not as soft as a palace bed.. it should warm us...
It's so strange

Hey...
Is the story of the fishmen true ?
And the fact you can't die ?
I think that i can't die of a wound, even a fatal one
But...

This is the only way to kill me
For example if someone burns all my body, or tears my brain into pieces
If all my body is destroyed i won't be able to recover...
But...
When it happened last time
I did it without thinking at all
I promised it to you

I will protect you !
Sorry for having said this...
Hum...
Good night !
Aluefeld-sama

is like a beast..
More than death
Since I have lived for so long, I have had time to think.
The real me...
Living is
If you knew my real shape
Painful
I longed for death, but it only happened near me.
What would you do ?

Irrya !
Are you ready ?
Let's go
Ah...

Whatever, these guys
seem really well educated
Please sing for us
Travellers who stays at Saphir's home
A song from your country

A beautiful song from their country.
I wonder from where they come.
There too.

With my abilities, I used plants to stop the effects of the poison in your body
But now, you must really take care of not being hurt again
Now I can feel again the blood flowing in the ring finger of my right hand !
Is my ring finger okay ?
Hum if you need some herbs
Do you want us to go search some ? I'm familiar with herbs
Why not, thank you

Ouch !
A thorn
Uwa ! I'm bleeding
Altefeld -sama
In fact, since we have begun this trip....
I can see that i'm unable to do anything...
Shut up !
With you being so clumsy it's not a surprise

I wasn't aware of the meaning of "being king
I have always lived in the middle of beautiful things
It wasn't the thruth, and it's hard to admit
I had the eyes closed
Living like a poor doll
I don't want anymore
to think at the meaning of being "King"
Altefeld -sama

Let me see
Ouch
It still hurts
Really you
This finger
In my heart for the first time

What s the matter ?
No nothing
Really don t act like a child
We should go back now
What ?
I

Iriya !

This guy
it was the same last time
It's okay Iriya ! Because you... You...
Iriya !
Iriya !

He hasn't got any external wound
but he doesn't open his eyes
Why don't you open your eyes Iriya !
Gumatoria ?
I found some on the sword
It's the poison of the Gumatoria

When the poison enters the body, the victim will make horrible nightmares
This herb works like a narcotic drug
It creates illusions
If we let him like this, he'll become crazy because of his dreams
What kind
What kind of dreams
Dreams so cruel that no living person can imagine...
Inside his dreams, he 'll be murdered, he 'll die many and many times
And if he dies too much, his real body will die too...

Iriya –
I am unable to die
Even if his body is okay he can't wake up
It's an horrible revenge
Even worse than hurting you –
And because of these dreams you can't open your eyes
Altefeld -sama
It worries me
Thinking at the dreams you have

I
his soul resist against it ?
Until when can.
I ll never forgive this man
If i could kill him i would be so happy !
No one has the right to interfere with your dreams
I can t go in and save him !
Granny don t have anything to cure this

But it's not because there's no way
Hey ?
There's a way to save him !?
It's because I don't have here what I need
Please tell me
In the valley of Mikatsuki there's an herb which is an antidote
It would be effective without any problem
To find it, you'll have to cross mountains
It won't be easy
And you'll have to hurry on the way back a lot

Let's go !
For sure
Until then
For sure I ll save you !!!
Please take care of Iriya
Even if it's a small chance, it's a chance to take !!!
Iriya
END

Is this...
a dream
A dream of my so far away past
It's just like I've fallen into the darkness
Iriya!

I hope you'll enjoy this release !!!

His hair has a strange color

But it s a deep red
It s a little strange
Really
Saying I ve lost my memories is a lie
I won't be able to forget it
Because I can't deny what has happened on this little island
People are looking at me with curiosity and disgust at the same time
Once again, in this town,

Dangerous
It s the only way for me
If only I could
Until then I must do my best to help him

Even after running away from being king he never stopped to protect me

Iriya was always saying he would protect me

And he will do so whatever happens

He swore he would be by my side

I was happy.

I really was happy.

This feeling
I

I need to use the herbs that Saphir gave me
I really wanted to live next to you Irrya...
Irrya
You're not so bad
Again ?
I wonder if you can do another one
I taught you a lot
How to cook for sure...
Ah ?

Already know...
Whatever you can remember isn't a loss !
How to use herbs, the emergency medical care
I even taught you how to play an instrument
Looks like a mother
Ok
30 years before on an island, a woman was living in a shrine before being sacrificed as a demon to prevent a disaster
Your mother will be sacrificed, but you'll live...
Mother
But your body has been taken out of her womb so you are...
A demon's child

It seems so...
You lost your memory after falling from a cliff
Ah ?
Oh, yes
Maybe you were saved by a fish-men
Yeah, but I don't have any reason for...
But it's strange that you can find wherever you go some legend about half man and half monster creatures
Do you believe in fish-men Adory ?
And some stories of people doing researchs all their life to create a chimera.

Things are ambiguous for yourself
People are filled with fear but want to hold you tight
YOU
Don't come near my sister

My
My brother entrusts my sister to your care but
It s bad to throw away some water
Why did you do this
I won t let you take care of or live with my sister !!!

It s because you said such weird things !!
Wah
Don t say such silly things !!

He's really bad
He even hit me !
Ah !
What are you doing !
Why did you fight ?
It seems you won't tell me
hum
These clothes are destroyed
Those of Ren are too little, and my big brother's are too big
If only we had bought some
Or

It's a little tight, but it's okay
Be patient we'll buy tomorrow some clothes
It's not like I've got any choice
Wearing women's clothes
Do you like this clothes ?

You're the first one who tries to resist
why such eyes

If only i could act as i want to

You will become just like an obedient doll
Whatever I have to do for it
It s okay if I didn t hear this painful thing for you
I love hurting people

Staying in the dark without any contact
You ll become mad
It must be near

It hurts

It's here...
How do you feel ?
Reksar .....
Iriya

You want to feel at ease ?
You ll go out as soon as you tell me what i want to hear...
Hunn...
Who will
I'm really surprised you found the will to resist me
I love your gaze too
Looks like one of a beast

From where did this child enter here ?
Don t touch the altar with your dirty hands !!
Inya !
When will I leave this island ?
what is this look full of violence ?
Ah
Watt Inya !
Don t !!
Pfuu...

He is a cursed child
It's Iriya
This red hair
What ?
He did something else he ll hurt someone with his bad attitude
If he was crying we could pity him, but since he s a demon s child, he can t even cry
Please stop

The soul of this child is innocent
Ah
Please be carefull of your saying
I hate them
They look at me as if I was dirty
I only wanted some sand of the altar where my mother was sacrificed
They
Those of this island killed my mother
Because of a superstition
A crazy one

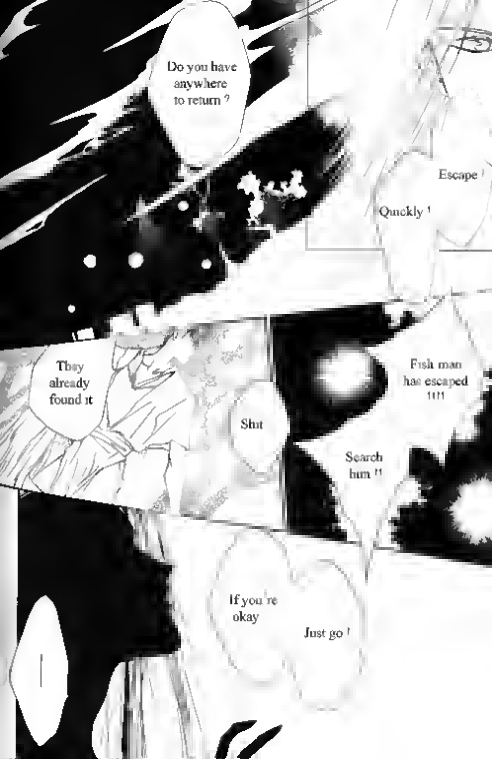
I see
It hasn t happened for 50 years
We caught a fish man
A male
What's all this noise ?
Old Chief
I'ts a fish man
f i s h _ m a n ?
Send him into jail because he must not escape
Eating the flesh of a fish man gives you the eternal life
He will be a good sacrifice for tomorrow s Matsuri

His hair
He's got a silver hair
And i had never seen before eyes of this color
It's so strange

He's a fish-man
is the fish-man
Inside

Without speaking of his lips
Eyes of a strange color
You
They are scared of everyone who is different
They'll eat you
You're a fool to be captured like this
And then their madness is developping inside them...

One day I'll leave
He's just like me
It's done
One day



Do you have anywhere to return ?
Escape !
Quickly !
They already found it
Shit
Fish man has escaped !!!!
Search him !!
If you're okay
Just go !

Eh ?
what
What ?
He put... something in my mouth

It's you Inya !
What are you doing !!?
What ?
Why putting me here ?
It will be your place from now on ...
You helped him to run away ...
This creature was very important for us
No need to complain
Following the laws of this island, it's a crime

MY MOTHER !
Mother
was thrown
from a cliff
in the sea
Just like
your mother
yeah
And we'll
do the same
with you
They
killed

Waah !
What ?
Iriya !
This monster
is running away !!!
Kill him !
Kill him !
I don't care if you kill him now!
Catch him !

What's this...
More than Iriya
They are the monsters !
Kill him !
Kill him !
Here !
Just here
Kill him !

It's okay!
Falling from there
He should already

Thanks to the pearl the fish-man put inside my mouth
I wasn't feeling any pain at all
While I was falling into the sea
His silver hair
was so pretty
Yes

Ooh !
He s opening his eyes !
You finally open your eyes We were so worried
Where am I
So I m alive
We found you inside the water and took you on this ship
We were surprised because your wounds really healed quickly Because you can t move a lot, take this and eat
Two days ago

You
What ?
Don't I disgust you ?
You don't want to eat ?
And what for ?
Because of my red hair
What do you say ?
A red hair isn t so rare
Was it rare in the place you come from ?
Hey
What s the matter
Hey !
Oi !

From my eyes where no tears were coming before
I don't understand why tears are flowing
